

The San Diego Bromeliad Society will be the Affiliate host for the 2006 BSI WBC in June 2006. They are working with the BSI to provide events for a memorable conference, but we need your financial help. The BSI is soliciting donations to defray the cost of many of the activities, of which we will all benefit. Donations may be applied to specific events or a purpose or may be directed to the general fund, to be used as needed. All contributions will be recognized in the Conference Program; one of the reasons you need to act soon. Please indicate the name by which you wish the donation to be recognized, i.e. "In memory of", "anonymous", or "Bromeliad Society of...", etc. All contributions, regardless of size are appreciated.

Yes, I can help:

Please apply this donation to,

The Scientific Speakers Seminars: Amount _____
